FREE courses!

Primary Science & Numeracy - Making meaningful links

[04 Nov 2020](#) or [06 Nov 2020](#) at 3-4.30pm

Primary Science & Literacy - Making meaningful links

[05 Nov 2020](#) or [10 Nov 2020](#) at 3-4.30pm

Following the C-19 extended lockdown, we continue to be in such an uncertain place with trying to deliver consistently high quality education to our classes whilst addressing so many issues as a result of CoVid - particularly as we work through the process of recovering the children's lost learning.

These NEW courses, offered **FREE for the Autumn term only**, will support you as you seek to provide a recovery curriculum and the links that can be made in Science lessons.

Book your place today!

Look!! Free resources for KS2 Earth and Space - AND your class could Skype a scientist!
